

ESSENTIAL HEALTH BENEFITS (EHB)

EHBs must include items and services within at least the following 10 categories:

- Ambulatory patient services, such as doctor visits
- Hospitalization
- Mental health and substance use disorder services, including behavioral health treatment
- Rehabilitative and habilitative services and devices
- Laboratory services
- Emergency services
- Maternity and newborn care
- Prescription drugs
- Preventive and wellness services and chronic disease management
- Pediatric Services (pediatric oral care may be included, or in the Marketplace^{SM1}, offered as part of a stand-alone dental plan)

¹ Health Insurance MarketplaceSM and MarketplaceSM are service marks of the United States Department of Health & Human Services. When used in this document, the term “Health Insurance Marketplace” or “Marketplace” refers to Federally-facilitated Marketplaces (FFMs), including FFMs where states perform plan management functions and also refers to State-based Marketplaces on the Federal Platform (SBM-FPs).
