I had a very painful, scary bump on my leg. I called the Telehealth service, and in less than 4 minutes, I was talking to a doctor! She called in an Rx – I not only had almost immediate relief, I had peace of mind.  
— Dallas from AZ

I needed an MRI. I called my Advocate and within 20 minutes, I received an email with 3 different locations. Prices varied from \$450 to over \$1,000, so I'm really glad I called!  
— Jeff from TX

With insurance, my monthly prescription was \$88, but with freshbenies Rx Savings it's only \$48. The pharmacist assured me that nothing was going to be cheaper than my insurance. But when the total came out \$40 cheaper, she asked me how to get freshbenies!  
— Krystal from TX
