A FRESH APPROACH TO BENEFITS

Do you ever just want to call a doctor (and even get an Rx, if medically necessary) when you or a family member are sick?

Are you bummed when your kids get sick - not just because they feel bad, but because you know a doctor visit will take hours out of your day?

Would you like a Personal Advisor to help you figure out your medical bills and navigate "the system"?

Could you use 20-40%* discounts on dental needs like exams, whitening, braces and more? How about 10-60% discounts on vision needs like glasses, contacts, LASIK, and more? What about 10-85% discounts (46% on average) on prescriptions?

If you answered "YES!" to any of these questions, check out freshbenies NOW!
